Lunenburg Academy Roof Upgrades

Addendum #1 – May 13, 2024

This addendum is being issued to answer questions regarding the above-mentioned Request for Proposals (RFP). This addendum should be added to and made part of the original RFP document.

Q1: Will a Heritage Impact Assessment (HIA) be required as part of the design phase? If so, please confirm the required qualifications of the individual issuing the HIA.

A1: No, a Heritage Impact Assessment will not be required as part of the design phase. A Heritage Impact Assessment will be completed in house and the successful proponent will work closely with the Town's Heritage Officer to ensure the project complies with all relevant bylaws, legislation and the Standards and Guidelines for the Conservation of Historic Places in Canada.

Q2: Will the design be submitted to an external heritage authority for review during permitting?

A2: Yes, the design will be submitted to the Province of Nova Scotia because Lunenburg Academy is a Provincially Registered Property. The design will also be shared with Parks Canada.
