

TOWN OF LUNENBURG

RFP TOL20242023

Rapid Flashing Crosswalk Beacons

ADDENDUM #1 – AUGUST 29, 2024

1. In Section 1.2 Proposal Submissions - it references passing in a paper copy of the proposal and a PDF version submitted via email. In Section 1.6 Opening - it references opening of the PDF copy received via email. Please confirm that email-only is acceptable for submission, that hand delivery is optional.

Answer: Yes, PDF copy only is acceptable.

2. On Page 12 of the tender, you've asked for supply and install of new posts to be included in the proposal should the existing posts not be useable. I wanted to confirm that you want these costs included in the lump sum vs having new post costs broken out separately in case they aren't required.

Answer: Please include supply and install of new posts as lump sum.
