ADDENDUM #3– Tree Delivery and Planting

1. Are there approved subs for the tree species if they are unavailable? and is there a mandatory completion date?

Proponents can submit subs for tree species with an explanation as to why they are submitting a substitution and for what tree they are substituting for.

2. Is there a mandatory completion date?

Under Deliverables 2.3 – proponents must provide:

- a. Shipping time/estimated delivery date.
- b. The start date and end date of the planting of trees needs to be clearly specified as a commitment by the proponent.
