REQUEST FOR PROPOSALS
Town Hall Exterior Condition Assessment

There will not be a public opening for this RFP. As this is a proposal document for which a number of criteria will be evaluated, only the names of the Proponents who have submitted a proposal will be identified after the opening, upon request.

1.7 Selection Process

Selection – Subject to Section 1.10 of this RFP, the Town will not necessarily accept the lowest price or any proposal. Any implication that the lowest price or any proposal will be accepted is hereby expressly negated. The successful Proponent(s) will be selected based upon evaluation criteria developed by the Town which in its sole discretion will determine the manner in which each response to this RFP meets the evaluation criteria. The proposal may be awarded to one Proponent only or more as the Town determines.

Evaluation Process

The evaluation process involves three stages:

Stage 1: Assessment of Mandatory Submission Requirements

Proposals received by the Submission Deadline will be assessed to determine which fulfill the mandatory submission requirements of this RFP. Proposals that are not completed in accordance with the requirements of this RFP will, in the Town's sole discretion, be disqualified and not evaluated further.

Stage 2: Evaluation of Proposals and Ranking of Proponents

Each Proposal that fulfills the mandatory submission requirements will be evaluated in accordance with the evaluation criteria. The evaluation committee reserves the right to perform any of the following and to take the information obtained into account in evaluating a Proposal:

- Seek clarification or verify information provided by a Proponent with respect to this RFP;
- Interview either via teleconference or at the Town's offices any or all of the Key Personnel proposed by a Proponent; and
- Request additional detail(s) on any element(s) of any submission(s).

Stage 3: Assessing Past Performance

A Proponent's record of past performance will be a factor in the Town's determination of the Proponent's qualifications to provide the Services. The record of past performance of the top-ranked Proponent will be assessed.

The Town may, at its discretion, contact the references provided by the top-ranked Proponent and may consult those who have had dealings with the Proponent or proposed Sub-contractors. The Town may determine, in its sole and absolute discretion, that a

REQUEST FOR PROPOSALS
Town Hall Exterior Condition Assessment

Proponent's record of past performance is unsatisfactory based on factors which may include, but are not limited to:

(a) A Proponent or proposed Sub-contractor is debarred from participating in the public procurement process of any of the following:

- Another municipality in Nova Scotia;
- A department, branch or division of Nova Scotia;
- A Nova Scotia Crown Corporation or agency; or
- An academic institution, health authority or other entity providing education, health or social services funded by Nova Scotia.

(b) A Proponent's performance of a project or agreement for which a reference was checked by the Town was unacceptable, deficient, improper, incomplete or late according to such reference.

(c) A Proponent or proposed Sub-contractor is a party to a legal proceeding that discloses or concerns improper, incomplete or negligent implementation of a project or part of a project or failure to comply with the term or condition of the agreement governing the project, and such legal proceeding has been initiated by any of the following:

- Another municipality in Nova Scotia;
- A department, branch or division of Nova Scotia;
- A Nova Scotia Crown Corporation or agency; or
- An academic institution, health authority or other entity providing education, health or social services funded by Nova Scotia.

(d) A Proponent or proposed Sub-contractor has initiated a legal proceeding against any entity listed above, and the Town is of the opinion that its existence is likely to adversely affect working relationships under the Agreement.

If the Town determines that a Proponent's record of past performance is unsatisfactory, the Town may, in its absolute discretion, disqualify the Proponent and reject the Proposal. If a Proponent is disqualified on the basis of past performance, the Town may proceed to assess the past performance of the next-best-ranked Proponent.

Evaluation Criteria – Subject to Section 1.10 of this RFP, each response to this RFP will be evaluated by the Town to determine the degree to which it responds to the requirements as set out herein. Because this is an RFP other factors in addition to price will be considered when submissions are evaluated.

Please indicate any requirements not met in your proposal with a brief description and reasons therefor.

The Town will read, review and evaluate each proposal. The below evaluation criteria table should be used as a reference only. The Town may in its sole and absolute discretion use or alter the below criteria or use some other evaluation criteria in its entirety.
