

TOL Safe Clearance Report & Wire Wrap Form

Residential & Commercial Scope:

approx. 14 business days. completion of work dependant on scope results)

Cost: No charge for residential service wire. Commercial properties may incur a fee (will be determined by scope).

Is this a request to have a safe clearance report completed and or wire wrap or both?

Nearest Civic Address & Meter Number:

Is this for a residential property, a commercial property or larger roadway work? (a stretch of road rather than a single property)

Please describe the nature of the work being completed? (ex: roofing, siding, water main work)

Name and daytime phone number of contact who will meet us on site?

Where should the Safe Clearance report be sent? (email address)

If.this.is.for.a.stretch.of.roadway.specify.the.start.and.end.point-estimated.total.distance.(in.kms)?.

What is the expected start and end date of the work?
