

TOL ELECTRIC UTILITY TRANSFORMER CAPITAL UPGRADES:

This letter is to advise customers that TOL Electric Utility Transformer upgrades will begin early June 2026.

The project will be completed in multiple stages, involving the installation of new conductors, poles, transformers, secondary power lines and services across all Town of Lunenburg Feeders. Work will begin on the 81W-322 feeder on the following roads/streets at approx. 46 locations:

Lunenburg – Blockhouse Hill Rd, Burma Rd, Sawpit Rd,

Blue Rocks – Blue Rocks Rd, Old Blue Rocks Rd, Hospital Rd, Schooner Ln, Rye Hill Rd, Shore Rd, Silver Point Rd,

During these upgrades, there will be times when short power outages will be required, however, efforts will be made to minimize the inconveniences to residents. Outage information will be provided by contractors, K-Line Construction, and/or town employees.

The safety of both residents and workers is a top priority. Please use caution when traveling through work zones. We appreciate your cooperation as we re-energize Lunenburg! If you have any questions, please contact Town Hall at 902-634-4410 ext 3.
